1 Review Admission Requirements
Online Professional MBA applicants generally must meet or exceed the following criteria:

• An undergraduate degree from an accredited four-year institution in any field with a cumulative GPA of 3.0 or higher
• A minimum of four years of professional work experience
• Satisfactory GMAT/GRE scores or waiver
• International applicants: Internet-based TOEFL score of 86 or higher, or an IELTS score of 6.5 or higher, or a PTE score of 58 or higher

1. While we encourage our students to meet the minimum criteria, failure to meet one may be offset by strengths in other areas, as determined by the Graduate Program Committee.

2. You may request a waiver to the GMAT or GRE if you have eight or more years of full-time professional experience that show a progression in responsibility (or military experience at an officer’s rank) and at least a 3.0 cumulative GPA in accredited undergraduate work (3.0 GPA in the last 60 credits is acceptable), or have completed a graduate degree. Please contact us to learn if you might qualify for a waiver.

3. Other testing formats may be accepted. Please contact us for information.

2 Prepare Application Materials

Three professional recommendations
Recommendations provide insight into your skills and expertise in the professional environment and areas where a graduate degree can help you improve. Three professional recommendations are required. You will provide your recommenders’ information on the online application. CSU will contact them and give them a link to a secure form they will submit on your behalf.

Statement of Purpose
A statement of purpose is a one-page letter addressing 1) why you chose our program, 2) what you hope to do with the knowledge and skills you would learn, and 3) what value you and your background would bring to the program. You will upload this document to your online application.

Current resume
Describe the responsibilities of your professional experience and what you accomplished while in those positions; show the length of time for each position (including the month and year). International applicants, please provide the city, state, and country for your employment and academic history. You will upload this document to your online application.

Academic performance explanation (if GPA is below 3.0)
If your most recent degree (undergraduate or graduate) cumulative GPA is below 3.0, explain the circumstances relating to your past academic performance on your online application.

English language proficiency test (if needed)
International applicants must complete the TOEFL or IELTS or PTE if the official language of your country is not English or if you did not earn your undergraduate or graduate degree from a U.S.-accredited institution. Test scores must be submitted directly to Colorado State University (school code 4075) from the testing centers.
