OVERVIEW
Offered through the Colorado State University College of Business, this Online Professional Master of Business Administration (OPMBA) program welcomes bright minds from around the world to learn together in one inspirational space. In the OPMBA universal classroom, students benefit from the latest digital technology and content delivery methods while learning from each other and world-class faculty. MBA candidates acquire the multi-dimensional business skills and confidence needed to emerge as leaders poised to make a world of difference.

Through this program, you will:

• Challenge your abilities under a rigorous, AACSB-accredited curriculum
• Uncover talents and interests you didn’t know you had
• Engage in dynamic learning with world-class faculty and global classmates
• Foster diverse and life-long networking relationships
• Immediately apply concepts to on-the-job decisions
• Find flexibility -- complete the degree in 21 months or up to five years

Colorado State University’s College of Business offers one of the best MBA programs in the nation and is one of the top 10 best administered, according to The Princeton Review, a New York-based education services company.
