

Project Management Certificate

Overview

Learn critical tools and techniques to work in a dynamic project management environment and run projects on time and under budget with standard, worldwide-recognized processes. This 16-week project management certificate program uses a comprehensive, integrated five-module curriculum based on the Project Management Body of Knowledge (PMBOK® Guide*). You will learn from instructors working in the industry as project managers who bring valuable real-world knowledge and instruction into the classroom.

Prepare for the PMP® Exam

This course can also help you earn project management certification. It qualifies as the prerequisite requirement for taking the Project Management Professional (PMP)® Exam, which can result in highly regarded credentials awarded by the Project Management Institute (PMI)®, including the Certified Project Management Professional (PMP)® and the Certified Associate Project Manager (CAPM)®. Let CSU help you earn your PMI® certification, so you can pass the PMP® Exam and stand out from the crowd with valuable credentials.

*The two required textbooks, including the latest edition of A Guide to the Project Management Body of Knowledge, (PMBOK® Guide) from Project Management Institute, Inc., are purchased by the student.

PMI, PMP, CAPM, and PMBOK are registered marks of the Project Management Institute, Inc.

Curriculum

The five-module program follows the guidelines from the Project Management Institute (PMI)®, which also awards the designation for Project Management Professional (PMP)®.

- Module 1 – Introduction, Initiating, Process Groups, and WBS
- Module 2 – Planning: Plan Schedule Management, and Plan Cost Management
- Module 3 – Executing – Direct and Manage Project Work, Project Knowledge
- Module 4 – Monitor and Control Project Work, Change Control, Risks
- Module 5 – Close Project or Phase, and Next Steps

Program Project

Throughout the program, you will complete a project that integrates and applies lessons from each unit. By the time you finish, your resulting work is a portfolio piece that demonstrates your competency as a Project Manager.
